Law and Society Association Annual Meeting

San Juan, Puerto Rico, June 1-4, 2023

Submission Deadline: November 8th, 2022

Dear Friends,

The submission portal is now open for LSA 2023 in San Juan, and the deadline for submissions is November 8th. CRN6 will create our own call for papers and share that with you via email and in the next newsletter. In the meantime, if you submit a paper to LSA, make sure to list CRN6 as the CRN you would like to submit to and also include sex work as one of your key words. If you are organizing or part of a panel being planned with another CRN, please consider having CRN6 co-sponsor the panel, which will help ensure that CRN6 members attending will know about and attend your panel and also help promote engagement between CRN6 and the rest of LSA.
