CRN6 Panel Schedule **LSA Annual Meeting 2023 San Juan**

Dear CRN6 Members,

This year's LSA meeting will be held in-person only in San Juan and will feature 9 panels affiliated with CRN6: Sex, Work, Law & Society. We will also hold a business meeting during the conference. There are a number panels and individual papers related to sex work that were not organized by CRN6 that attendees should also keep an eye out for by searching the online schedule using the keyword "sex work".

Unfortunately, this year we will not be having a pre-conference day of dialogue as we have not been able to establish a meeting with San Juan's local sex worker-led organization. If they become more responsive to our invitations we will try to invite them to have dinner after our business meeting and raise funds for them.

WhatsApp Group for CRN6 attendees at LSA 2023 in San Juan

Dear Friends,

To help facilitate mentorship, networking, collaborations, and general sociality we will be organizing a WhatsApp Group chat for those attending the conference. This group chat will help CRN6 members to connect with each other outside of the panels by sharing open dinner invitations, and enable information sharing in case of room changes or any other challenges that may arise during the conference. This worked well in Lisbon to help share information and we hope this will help create more opportunities for connections and communication in San Juan. To join the group please message Alex at 1-702-235-2477 in WhatsApp and let him know your name and that you want to join the group chat for the conference.

We look forward to seeing you in San Juan!

best regards,

Alex, Menaka & Kate
