LSA Global Meeting 2022 – Lisbon CRN6

Theme: Rage, Reckoning, & Remedy

Conference Dates: July 13-16, 2022

Registration Opening Soon

Dear CRN6 members,

We are pleased to inform you that CRN6 received 24 paper submissions for the Global Meeting of the Law and Society Association to be held in Lisbon Portugal from July 13th-16th 2022. We are planning for four full in-person panels of paper presentations, an in-person roundtable session and a virtual paper panel session. We will also be planning networking events for CRN6 members attending the conference in-person and will strongly urge all live attendees to also attend CRN6's virtual session. If you have suggestions for informal events you believe would be helpful for CRN6 to host at the conference, please reach out to the CRN6 Co-Chairs at co-chairs@sex-work-law-and-society.org.

We are heartened by the strong turn out in submissions despite these trying circumstances and will make every effort to make this conference as valuable for CRN6 members as past LSA meetings. In order to make that possible, we strongly urge members to register early for the [conference](#) and take advantage of discounted rates and ultimately to come learn about the latest work of your CRN6 peers by joining us in Lisbon this July. We will send out further updates as registration opens and keep those who submitted papers updated as we arrange your papers into panels.

Sincerely,

Alex Nelson
